PAPERS PRESENTED

Group B Streptococcal Adherence to Human Buccal Epithelial Cells: A Radiolabel Assay
University of Utah, College of Medicine, Department of Pediatrics Honors Symposium,
1981.

Pattern Electroretinogram: Literature review and current research at the University of
California, Davis. Seventh Annual Clinical Research Symposium, Department of
Ophthalmology, University of California, Davis, 1983.

Pattern Electroretinogram in Uhtoff's Syndrome
Eighth Annual Clinical Research Symposium, Department of Ophthalmology,
University of California, Davis, 1984.

Contrast Sensitivity versus Pattern Electroretinogram in Multiple Sclerosis; A Battle of
the Tests. 1985

Ninth Annual Clinical Research Symposium, Department of Ophthalmology,
University of California, Davis, 1985.

Toxic Retinopathies
Iowa Eye Association, Department of Ophthalmology, University of Iowa, 1987.

Retinal Revascularization in Laser-treated Choroidal Neovascularization
ARVO, Sarasota, 1987.

Serous Retinal Detachment Associated with Peripapillary Mass
Western Association for Vitreoretinal Education, Maui, 1990.

Stereoviewing: A Learned Skill
Western Association for Vitreoretinal Education, Maui, 1990.

Management of Dislocated Posterior Chamber Intraocular Lenses
Western Association for Vitreoretinal Education, Maui, 1992.

ADDITIONAL RESEARCH

Mycoplasma Induction of Interferon, Animal Model of Arthritis, Cytotoxicity Studies,
Mycoplasma Virus Research
Department of Arthritis, Laboratory Technician II
University of Utah, College of Medicine, 1976

Chloroplast DNA Isolation Techniques for Use in Mycoplasma Plasmid Studies
Department of Arthritis Research Fellowship
University of Utah, College of Medicine, 1978

Potential Autoantigenicity of Denatured Collagen as Mediator of Synovial Damage
in Mycoplasma-induced Animal Arthritis Model
Department of Arthritis Research Fellowship
University of Utah, College of Medicine, 1979
